

Dialora

14,000 leads.
Zero prioritization.

Round-robin doesn't know who's ready to buy.

dialora.ai

Dialora

Found 19 days **after** the competitor closed.

A \$50M Series B lead, buried by date order.

dialora.ai

Dialora

Einstein scores leads on **your** history.

- Trains on closed-won patterns
- Needs 1,000+ scored leads
- Updates weekly, automatically

dialora.ai

Assignment rules run in **priority** order.

- 01** Score 80+, target industry
- 02** Score 50 to 80
- 03** Inbound phone source
- 04** Everyone else, nurture

Most specific rule wins first.

Dialora

One rollout. **52** leads surfaced.

Score above 80, never called:

- 14 leads missed entirely
- 9 were 200+ employee accounts
- Buried under small imports

dialora.ai

Dialora

0⁻⁹⁹

Einstein's lead score range.

1,000 closed leads needed to train it.

Score Factors explain every number.

dialora.ai

Dialora

Einstein ranks the lead. **Dialora** qualifies the call.

Phone-verified data raises the model's accuracy ceiling.

dialora.ai

Dialora

Still routing leads by **date** created?

Let Einstein score them.
Let Dialora call them first.
